To our many buyers and supporters during
the Livestock Sale!

“To Make the Best Better”

Reserve Grand first, first place next, second place and so on. The order shall be indoor item, goats, lambs, meat pen, swine and steer. Grand Champions will be allowed to pick their sale slot. Beginning in 2017, the exhibitor with the Grand Champion Steer will be the first to choose followed by Swine, Lamb, Goat, and Rabbit. The order of selection will rotate each year (ie 2018 Swine, Lamb, Goat, Rabbit, and Steer/Heifer). However in the event that the same exhibitor has 2 animals in the Sale back to back, the next animal will be moved up in the Sale order so that there is one animal splitting the two animals shown by the same exhibitor. Sale Order is determined beginning with the Grand Champion of each species and rotating on even years to the right and odd years to the left to the next highest placing animal keeping with the order of the classes (i.e. light, medium, heavy, short, middle, tall). However in the event that there are 2 or more animals with equal placing the next highest placing behind the Grand Champion and then Reserve Champion will sell regardless of order.

5. Each exhibitor will be permitted a maximum of 2 animals in the sale. Only 1 animal per species will be permitted to sell per exhibitor.

6. A 2% commission will automatically be deducted from the sale price of each animal going through the sale. A fee will also be deducted from each animal sold to pay for the picture provided to the Buyer. Exhibitors are required to be on time and assist at 2 fair workdays, failure to do so will result in \$25 for each day being deducted from Sale money.

7. No premium, add-on or sale monies will be issued to any exhibitor until all such money is received from donors and buyers. Proof of all thank you notes written and photo delivered to buyer will be required before each individual's money is distributed. Exhibitor must show his/her own eligible animal to qualify for add on money.

8. All animals participating in sale must be presented as if they were going to the show ring. No graffiti, ribbons, baskets, boxes, tubs, glitter, etc. of any kind will be allowed.

9. Packer animals—The Fair Board may secure packer bids on steers, swine, lambs, goat as a courtesy for exhibitors. The exhibitors of junior livestock are responsible for animals until loaded on designated transportation. If space is available, the Fair Board may also transport animals not sold through the Sale at a cost of \$10 per animal.

10. Medication: The use of chemical or compound that is not approved by the FDA for use in meat producing animals and the illegal use of approved chemicals or compounds prohibited. As a condition for participation in the sale, every exhibitor must agree to submit any animal entered by exhibitor to inspection by a veterinarian appointed by the Fair Board, FDA, USDA/FSIS, NMDA and/or NMDOH and agree to have such animal submitted to any test designated and requested by the veterinarian. The Fair Board specifically reserved the right to have tissue, blood, or urine laboratory analysis made on any animal entered into the competition. The conclusions reached by the veterinarian, as to whether such animal has been administered a diuretic, unapproved growth stimulant or other medication, or has not been properly withdrawn from approved drugs shall be final, without recourse against the Fair Board and any of its officers.
