AND MANY MORE!

Personal Growth and Leadership Development

- Projects and contests build confidence and self-esteem
- There are leadership development opportunities at the club, county, state and national levels

Community Engagement

4-H Youth give back to the community in many ways

Contact the NMSU Guadalupe County Extension Office at 575-472-3652 or follow this QR code to our web site for further information.

We will also be offering 4-H in the schools again this fall.
