Member Spotlight!

WASHINGTON DC RECAP:

How was Washington DC Jacee?

My D.C. trip was overall a exciting and educational trip. I learned a lot of new things about 4-H and was able to meet people from all over the world. My favorite part of the trip was being able to go site seeing and enjoy all of the monuments there are to enjoy. The conference was very fun, they included many educational and hands on workshops. With this trip I have the opportunity to host a workshop at state conference in Las Cruces this year.

I would recommend this trip to other members for next year it's a great experience!
